Subject: Save the Date - May 15, Disaster Preparedness Event @ City Hall

Hi Everyone –

Quick note – I met with Frank Aguirre from the Mayor's office yesterday, and we brainstormed doing a Disaster Preparedness Event where the Mayor's office would bring in experts from FEMA, Red Cross, LAFD, etc. to lead a 2 hour seminar with BIDs and our respective safety/maintenance team on strategies and way to prepare for an earthquake.

We have tentatively set the date of **Thursday, May 15 from 2-4p at the Bradley Tower at City Hall**. The event will be FREE and I'm hoping that each of you will attend and bring your BID leadership given that if we are stricken with "the big one" our BIDs can be prepared to help deal with any issues. We'll also be able to extend the invitation to large property managers in the City.

I'll be partnering with the City on behalf of the BID Consortium. If anyone would like to help with this, or has ideas – please let me know.

Thanks and I'll be back in touch with more details.

Best,
